

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

|                          |   |
|--------------------------|---|
| Journal Name:            | <a href="#">Asian Journal of Research in Zoology</a>  |
| Manuscript Number:       | Ms_AJRIZ_50563  |
| Title of the Manuscript: | <b>A Survey of Urinary Schistosomiasis among Secondary School Students in Jalingo Town, Jalingo Local Government Area, Taraba State</b> |
| Type of Article:         | <b>Original Research Article</b>  |

**PART 2:**

| FINAL EVALUATOR'S comments on revised paper (if any)  | Authors' response to final evaluator's comments |
|---|---|
| <p>Author/Authors have effected changes to the manuscript as I saw...<br/>Just one more thing...Please avoid listing lengthy names in the reference list...key example....Reference number 7,8 ...When names are more than 3 you use et al in italics,et al.meaning and all others instead of listing name one to five...<br/>So Author should just check and add.<br/>Well-done .Good job...</p> |   |

**Reviewer Details:**

|                                  |  |
|----------------------------------|--|
| Name:                            | <b><i>Emmanuela Tochukwu</i></b>                                     |
| Department, University & Country | <b><i>Steduron College of Health Technology Lafenwa, Nigeria</i></b> |
